

Working on...

We offer an education service to P.M.L.D adult learners who are unable to access mainstream courses.

All courses are taught by qualified teachers

All courses are matched to the Pre-Entry Curriculum

All learners are set individual goals so that progress can be assessed and maintained.

Communication

Improves behaviour and communication by working on listening skills, body awareness, following instructions, interaction and makaton signs.

Sensory Awareness

Improves listening skills, following instructions, coordination, fine and gross motor skills.

Body Awareness

Improves balance, posture and coordination, movement, memory, breathing, flexibility and mobility.

Music

Improves communication, listening skills, bringing together intellect and feeling enabling personal expression, reflexion and emotional development

"We offer a holistic centred approach"

Our aim:

"To maintain skills and provide a stimulating environment for learners with profound learning difficulties and disabilities to become more confident and better equipped to interact with the world around them."

"Everyone needs their spoonful of triumph"
